

Queensland Counter-Terrorism Strategy

Snapshot

Our Vision

Keeping Queenslanders safe through effective measures and collaborative arrangements to counter terrorism and violent extremism

Our objectives

To achieve our vision, the Queensland Government is working to:

- promote harmony and social cohesion to support community resilience and reduce the risk of violent extremism
- ensure a strong, contemporary and effective legislative framework
- deliver effective prevention and protection strategies to reduce risk
- ensure comprehensive and robust response capability
- maintain timely and responsive consequence management and recovery arrangements.

The Government conducts a range of activities to deliver this vision for all Queenslanders. Some examples of these activities are highlighted throughout the Strategy; providing a snapshot of key activities we are undertaking.

Our approach

In delivering effective measures to counter terrorism and violent extremism, the Queensland Government's efforts are underpinned by a number of key principles. These principles constitute our touchstones, ensuring that our efforts are focused to deliver positive outcomes for the people of Queensland.
